RESOLUTION REQUESTING MAGISTRATE IN WESTERN CARTERET COUNTY

Whereas, Western Carteret County has experienced tremendous growth in population and traffic causing an increase in law enforcement presence and interaction over the last 10 yrs; and

Whereas, the Law Enforcement Officers (LEOs) for the Town of Cape Carteret & Emerald Isle Police Departments as well as the Sheriff's Office have seen an increase in calls for service, more so those calls for service that result in arrest; and

Whereas, currently the only magistrate's office for Carteret County is located in Beaufort and having a magistrate in Western Carteret would enable LEO's to process arrests more efficiently and return to their jurisdiction promptly; and

Whereas, the magistrate's office in Beaufort is approximately twenty-five miles each way and each arrest or process currently takes three to four hours of out of jurisdiction time. Additionally, a magistrate in Western Carteret County would facilitate obtaining essential documents such as arrest warrants, search warrants, DWI Processing, Involuntary Commitment documentation, and other affidavits necessary for LEO's as well as for citizens obtaining process paperwork; and

Whereas, the Towns of Cape Carteret, Emerald Isle, Cedar Point, Peletier, and Bogue realize the tremendous impact and efficiency having a magistrate in Western Carteret County would have for all of law enforcement agencies and citizens.

Now, therefore, the Towns of Cape Carteret, Emerald Isle, Cedar Point, Peletier, and Bogue support this resolution to request a magistrate be located in Western Carteret County.

Christmas Light Options 2026

Here are some possible choices for the new Bogue Christmas lights from Mosca Design in Youngsville, NC.

The cost includes marine upgrade with dielectric grease and rubber washer for each bulb. (estimated total charge for upgrade~\$289.12)

The marine upgrade was highly recommended due to the coastal location.

- **Lighted 5 Ft pole mount wreaths (3) -80 bulbs each** with ornaments and bows on each side -One for each end of town on Hwy 24 and one on Bogue Loop Rd.
- **One 5x6 Ft Crab-161 bulbs** for new pole
- **One 5.5x8 Ft Anchor-155 bulbs** for new pole
- **Shipping~\$800-\$900**

We could consider using the Crab and Anchor designs at the ends of town for a year-round look, but there are plenty of other options available if we want to look at other choices.

Total estimated cost including shipping and marine upgrade for bulbs is \$7,400
